# Drawstring Trash Bags

Drawstring Bags - The new generation of trash bags with the convenient drawstrings will become an indispensable product for every family. We always update and improve our manufacturing lines to meet the high-quality products, especially Drawstring Bags. Our Drawstring Bags are made from PE plastic with a split-side design and flat bottom, so this product is so useful for easily tying the bag mouth, blocking the smell of waste, easy to move and classify garbage, no water leaked. Besides the smart design, our Drawstring Bags can be customized the specifications, such as:

- Width from 40.64 inches to 50.8 inches
- Length from 43.18 inches to 55.88 inches
- Thickness from 15 mic to 18 mic

Truong Phuoc Plastic can modify colors and add scent to Drawstring Bags as your requirements.

# Starseal Trash Bags

Starseal Trash Bags are popular products on the market nowadays. However, consumers are struggling with poor-quality trash bags, some are thick but easily tear, some leak water at the bottom, etc. Truong Phuoc Plastic always prioritizes product quality to bring good experiences to customers by improved manufacturing lines, used high-quality materials, and optimized design. Our Starseal Trash Bags have a heat-sealed bottom design to anti water leakage, and are made of flexible PE plastic that is difficult to puncture. Besides, we can adjust Starseal Bags' specifications such as:

- Length from 60 cm to 147 cm
- Width from 45 cm to 109 cm
- Thickness from 13 microns to 50.8 microns

The colors of our Starseal Bags can be customized according to customer requirements.
